NEWSLETTER
FEBRUARY 2007

HAPPY GROUND HOG DAY

Shadow or no shadow, winter officially ends on March 20. But please don't wait until then to make your appointment to "do your taxes."

STOCKBROKERAGE FIRMS

Many of these companies are notorious for being late in issuing 1099s, and worst of all many times they have to be reissued due to errors. And now, Congress has added to the dilemma with a late year change in the tax law. So, to avoid our rerun fee, at least \$75, please make sure you have all of your 1099s and do **call your stockbroker to verify that the 1099 is "final."**

OPEN SATURDAYS

To accommodate those of you who work Monday through Friday, we will be open beginning Saturday, February 3 from 9:00 a.m. to 1:00 p.m.

EMPLOYEE FORM W-4

February 15 is the last day for employees who claim to be exempt from income tax withholding to file the W-4 with the IRS.

CORPORATE RETURNS

Corporate returns are due March 15.

EMANCIPATION DAY

In case you don't know it, Monday, April 16 is "Emancipation Day" giving us one more day to file our *federal* income tax returns.

CONTRIBUTIONS

Beginning in 2007, cash, check, and other monetary donations of *any* amount can be deducted only if substantiated by a bank record or written documentation from the charity. No longer will you be able to deduct cash put in the collection plate unless you get a sworn affidavit from the minister that you gave cash in the collection plate.
