FINANCIAL WOES

With increasing frequency we are being asked to meet with an aged parent regarding his or her earthly possessions and how they are to be distributed upon death. Even for those of you who don't consider your self aged, please set your house in order now. If you don't, you may leave a legacy of hate instead of love.

ACCOUNT APPLICATIONS

As a Genworth Financial Registered Representative, I am required to get an updated account application from those of you who have invested with the firms I represent. The updated account is needed only if there has been a significant change in your personal or financial situation, for example, new dependent, marriage, divorce, job change or retirement, etc. If you fall into any of the aforementioned categories, call for an appointment to update your application.

JUNE 15 ESTIMATED INCOME TAX PAYMENT DUE

A reminder to make your second estimated income tax payment to IRS and the state of your domicile.

OUR NATION'S BIRTHDAY

We will be closed Tuesday, July 4, 2006 to observe our independence from England.
