SEPTEMBER 2005

ESTIMATED TAX PAYMENTS

Use voucher number 3 to pay your IRS and Indiana estimated income taxes due September 15th.

CORPORATE INCOME TAX RETURNS DUE

September 15th is the day your extended corporate returns have to be filed with IRS and Indiana to avoid failure to file penalties.

INDIANA PASSES TAX AMNESTY LAW

Being short of revenues, Indiana has passed an amnesty law for those taxpayers who may have been tardy in paying Indiana back taxes. If you fall into this category, check the Indiana Department of Revenue's web site for a complete explanation of the amnesty program.

LAST CALL

Extended personal income tax returns will have to be filed by October 15, 2005. So please use the month of September to gather your information and bring it to us so we can finish your return by the "drop dead" date of October 15, 2005.

AVOID ESTIMATED INCOME TAX PENALTIES

Now is a good time to check with your payroll department to see if enough taxes are being withheld. The same suggestion applies to the self-employed. Check where you stand now to see if you have paid and will pay enough estimated taxes to cover your 2005 liability.

HAPPY LABOR DAY

We now return to our fall hours: Monday to Friday 8:00 a.m. to 5:00 p.m.
